"Our country is very fertile and is fit for growing vegetables and fruits. These when -- planted are damaged by goats. They cannot be easily seized for being impounded. The increased rate of fine on goats in the Tumkur District has not done any good. It is prayed that the owners of stray goats should be made liable for prosecution."

ject re damage caused by goats was brought up at at the last District preliminary meeting in connection with the Dasara Representative Assembly of 1916 and was referred to the District Board for disposal.

2. The matter was placed at the meeting of the District --- Board held on 17th instant when it was resolved that action on the --- lines indicated by the Representative member was neither possible nor ^{and} desirable, that double the usual fee on impounded goats should be levied in all District Fund cattle pounds. In enclosing herein an extract from the proceedings of the Board I request that Government may be ~~pleased~~ pleased to sanction the levy of double the usual fee on impounded goats as resolved by the Board under the Proviso to sec. 12 of the Cattle Trespass Act, 1871. The existing rate of fee ^{is} one anna per head.
